

Summer Term Newsletter April 2025

Our topic this term is 'Mad about Minibeasts!'. We will be investigating different bugs and small creatures and this will include hearing and learning rich vocabulary and retelling our own stories through role play and small world activities. We will also be discussing and experiencing the seasonal changes as they occur throughout the term.

Helpful reminders:

Naming Clothing, Bags and Lunchboxes.

The end of the day can be tricky for little ones. Can we please ask you to clearly name coats/sweatshirts/bags and lunchboxes. By managing their own belongings, it will encourage the children to become more independent.

Toileting

Please keep us up to date with any toileting needs. If your child needs to use nappies and wipes these need to be sent in from home and please include nappy sacks.

Clothing

We don't recommend that children wear their best outfits to nursery as we encourage them to spend time exploring the different activities on offer and these can often include using resources that can be a bit messy!

Suitable footwear is a must! Trainers or shoes that the children can move freely in.

Snack

Fruit is provided for both morning and afternoon snack. The children have a choice of milk or water. We promote independence by encouraging the children to pour their own drinks and peel their own

fruit. If you would also like to provide a water bottle for use throughout the day, please name it and we will keep it in the snack area where it will be accessible throughout the day. If you do wish to provide a water bottle, please ensure it contains only water.

Development scrap books and assessments

Nursery staff will gather observational evidence to assess your child's development under the Early Years Foundation Stage Curriculum. At the end of their time with us you will be given a 'This is me' book containing photographs, artwork etc. as a memento of their nursery journey.

We are really looking forward to an exciting term ahead and feel privileged to be able to share your child's learning and development with you.

If you have any queries or questions just let us know and we will be happy to help.

Mrs Stapley and the Nursery Team
